kenzieacademy Kenzie Academy was built with the mission to help educate, up-skill, and re-skill Americans that want to capitalize on the future of work in tech. May 12th at 1 p.m. ET we're hosting a special guest speaker: Andrew Yang is joining us to talk about the Future of America followed by an AMA hosted by Chok Ooi, Kenzie Academy's CEO. We're thrilled to have Andrew Yang on our Advisory Board, and his insight has helped us build a Software and UX Engineering school that addresses the hiring gap in the tech industry. RSVP today via the link in our bio - space is limited! .

kenzieacademy Thank you to Andrew Yang for joining us for an awesome AMA this afternoon! After a discussion on the Future of America, @chokleang, Kenzie's CEO, led a Q&A session where Kenzie students got to ask Andrew some insightful questions. We covered a multitude of topics from the tech industry's growth, how higher ed can be improved, and what it's like to run for president. Thank you again to

kenzieacademy "In a matter of a year, I've changed my career from sales to Software Engineering. Even during a time when I was weighed down financially, Kenzie was still able to change my life around." - Michael, Kenzie Graduate & Software Engineer for Agility (he's off on an adventure to live and work abroad in Vietnam!). Congrats, Michael! 🇺🇸 . What doors could a #tech education open for you? Apply today via the link in our bio 🇺🇸

Kenzie Academy Raises \$7.8 Million for Accessible Tech Training in Middle America

#KenzieMade

kenzieacademy
Kenzie Academy Indianapolis

...

kenzieacademy We're excited to announce that we've raised \$7.8 million in funding to invest in our programs and expanding our reach to make affordable education accessible to more students, especially those in Middle America. Be sure to read more about this great news on our website's press page and in articles by @insideindianabusiness @edsurge @ibjnews @fortunemag & @forbes We've also reduced our ISA percentage to 13%, so there's never been a better time to become a Kenzie student! Apply today for our October cohort via the link in our bio.
